About Institution

Dr. Rajendra Gode College of Pharmacy was established in 2019 with a vision to achieve excellence in pharmaceutical education and research. The institution is committed to nurturing and empowering students with the knowledge, skills, and competencies essential for success in the ever-evolving pharmaceutical sector. At present, we offer undergraduate programs in pharmacy that provide a robust foundation in pharmaceutical sciences, with plans underway to expand into postgraduate education in the near future.

With a forward-looking approach, the institution is well-prepared to address global challenges in the pharmaceutical industry. Equipped with modern infrastructure and state-of-the-art facilities, we aim to evolve into a center of advanced research, setting new benchmarks of academic and professional achievements. We remain steadfast in our pursuit of excellence, fostering a vibrant ecosystem of learners, faculty, and industry professionals united by a shared passion to solve challenges regionally & internationally in pharma education.

DRGCOP Journal Club

It gives me immense pride to witness the establishment of the Journal Club at DRGCOP, Amravati. In today's rapidly changing scientific world, the ability to analyze, discuss, and apply research findings is as important as learning itself. This Journal Club will serve as a productive ground for nurturing young researchers and developing future leaders in pharmacy.

I extend my best wishes to the Principal, faculty, and students in making this initiative a Standard of perfection

Shri. Yogendraji R. Gode
President, IBBS

Ms. Tanvi Y. Gode
Secretary, IBBS

The Journal Club reflects our institution's vision of moving beyond classrooms into a culture of dialogue, analysis, and innovation. By participating in this forum, students and faculty will not only strengthen their academic and research skills but also build confidence in pitching their ideas.

I am confident that this initiative will create a vibrant learning atmosphere at DRGCOP, where curiosity thrives and ideas transform into knowledge.

At DRGCOP, our commitment is not just to educate but to cultivate a mindset of inquiry and lifelong learning. The Journal Club is an important step in this direction, providing a structured platform for students and faculty to explore, and debate scientific work.

I invite all members to join the conversation, as collective insights will help us cultivate future leaders in pharmacy and beyond. Together, let us make this Journal Club a hallmark of academic strength and research culture.

Dr. Harigopal S. Sawarkar
Principal, DRGCOP

Institutional Vision & Mission

Vision

To be a leading pharmacy college that serves as a vital resource for the community, advancing health outcomes through innovative education, research, and service.

Mission

- To ensure the long-term viability of healthcare by employing innovative measures and technologies.
- To empower students with the competencies needed to thrive in a constantly changing profession.
- Developing core values of excellence, proficiency, self-belief, and moral responsibility in future pharmacists.

DRGCOP Journal Club

Exploring Research, Inspiring Minds

Aim

To foster a culture of critical thinking, collaborative learning, and evidence-based discussions within DRGCOP to participate in the research world.

Objectives

- Promote regular engagement with current scientific literature.
- Develop presentation, critical appraisal, and review skills.
- Encourage active dialogue on research and innovation.
- Strengthen institutional research culture.
- Inspire students to apply knowledge in real-world contexts.

Scope of the Journal Club

The Journal Club will serve as a common platform for:
